Annual Report E-Governance 2022-2023

Introduction: The academic year 2022-2023 continued our commitment to technological advancement, aiming to provide an enriched learning and research experience for all. This annual report outlines key developments during this period.

Key Achievements:

1. Ongoing Utilization of Mastersoft ERP: Our adoption of Mastersoft ERP continued to streamline administration, admissions, finance, and library management, ensuring efficient college operations.
2. Sustained Internet Connectivity: Our updated internet infrastructure continued to provide reliable and high-speed connectivity across the campus, supporting various e-governance activities and online learning.
3. Training for Online Teaching and Learning: We maintained our commitment to enhancing the skills of our teaching staff in online teaching and learning, ensuring that our faculty remained well-equipped for the evolving educational landscape.
4. Enhanced Desktops and Software: The installation of new desktops and software packages remained vital, enabling our community to access cutting-edge technology for teaching, learning, and research.
5. Specialized Research Tools: The availability of specialized software packages for social science research, including SPSS, Atlas.ti, and MaxQDA, continued to empower our researchers and students in the field of social sciences.
