Ref. No. **Report for MSW Research Outline Presentation (2022-23)** Date : / / 202

College Name: Loksevak Madhukarrao Chaudhari College of Social Work

Objective: The MSW Research Outline Presentation event for the academic year 2022-23 aimed to provide MSW students with a platform to present and discuss their research proposals. The primary goal was to help students refine their research ideas, obtain constructive feedback, and gain experience in academic presentations.

Participants: A total of 57 MSW students actively participated in the Research Outline Presentation, demonstrating their strong interest in the research process and their commitment to advancing their research skills.

Date: The MSW Research Outline Presentation event took place on December 9 to 10, 2022.

Program Details:

- 1. Presentation Sessions:** The core of the event centered on presentation sessions, where each participant had the opportunity to present their research proposal outlines. These sessions were organized into thematic panels, facilitating discussions and feedback.
- 2. Faculty and Peer Feedback:** Following each presentation, both faculty members and peers provided constructive feedback to the presenters. This feedback served to acknowledge the quality of the research and offered suggestions for future enhancements.
- 3. Panel Discussions:** The event featured panel discussions featuring experts in social work and related fields. These discussions enabled in-depth exploration of themes and challenges in the presented research proposals, fostering a deeper understanding of the subject matter.

Ref. No. 4. **Networking Opportunities:** The event offered informal networking opportunities, enabling students to interact, exchange ideas, and explore potential collaborative efforts with their peers. / 202

Outcomes:

The MSW Research Outline Presentation event for the academic year 2022-23 achieved several notable outcomes:

- 1. Research Refinement:** Participants had the opportunity to refine their research proposals based on feedback from both faculty and peers. This process improved the quality and depth of their research projects.
- 2. Enhanced Presentation Skills:** Students developed and honed their presentation skills, which are essential for effectively communicating research findings and ideas.
- 3. Collaborative Research:** The event facilitated the exchange of ideas and the formation of potential research partnerships among participants, promoting a culture of collaboration.
- 4. Confidence Building:** Presenting in a formal academic setting increased students' confidence in their research abilities and public speaking skills.

Conclusion:

The MSW Research Outline Presentation event for the academic year 2022-23 successfully met its objectives by providing a valuable platform for MSW students to present and refine their research proposals. The event not only enhanced their research skills but also instilled in them the confidence to pursue responsible and competent research. The institution remains dedicated to offering opportunities for students to further develop their research capabilities and cultivate a culture of ethical and collaborative research in the field of social work.
