

Report for MSW Research Orientation Programme (2020-21)

College Name: Loksevak Madhukarrao Chaudhari College of Social Work

MSW Research Orientation Programme (2020-21):

Objective: The MSW Research Orientation Programme for the academic year 2020-21 continued the tradition by aiming to equip students with essential research knowledge and instill ethical research practices. The program sought to build on the strong foundation laid in previous years.

Participants: A total of 70 MSW students participated in the program, demonstrating their enthusiasm for enhancing their research skills and knowledge.

Date: The MSW Research Orientation Programme took place over three days, from October 5 to October 7, 2020.

Program Details:

- Lectures and Presentations:** The program included lectures and presentations by experienced researchers and professors, covering a range of essential research topics, including research methodologies, data collection, data analysis, and ethical considerations in research.
- Hands-On Workshops:** Participants engaged in hands-on workshops that allowed them to apply their knowledge practically. These workshops included activities such as data collection and data analysis, providing students with valuable hands-on experience.
- Interactive Discussions:** The program encouraged interactive discussions and group activities to foster knowledge sharing, critical thinking, and problem-solving among the participants.
- Networking Sessions:** Informal networking sessions were organized to facilitate interaction among participants, encouraging the exchange of ideas and experiences and the formation of potential research collaborations.

Outcomes:

The MSW Research Orientation Programme for the academic year 2020-21 successfully achieved its objectives, leading to several meaningful outcomes:

- Continued Development of Research Knowledge:** Participants continued to build on their research knowledge and skills, deepening their understanding of research methodologies and ethical considerations.
- Strengthened Research Practices:** The program reinforced ethical research practices, emphasizing the importance of conducting research with integrity and responsibility.

Ph.: (0257) 2221302. e-mail: cswjal@gmail.com, Web site : www.lmccsw.edu.in

-
3. **Practical Research Skills:** Through hands-on workshops and interactive discussions, students continued to enhance their research skills, including literature review, data collection, and data analysis.
 4. **Promotion of Collaboration:** The program maintained its emphasis on networking and collaboration, fostering a culture of idea exchange and potential research partnerships.

Conclusion:

The MSW Research Orientation Programme for the academic year 2020-21 successfully continued its mission of equipping students with essential research knowledge and ethical research practices. The program's consistency in providing strong research foundations highlights the institution's commitment to preparing MSW students for responsible and competent research.
