Name of the Activity: Avishkar:

Year : 2018-19

Introduction: About Avishakar- Understanding the new realm of knowledge is facilitated by the research. The research engages societies and scholars to think critically and make them capable to find solutions to various problems. The role of the education system is very crucial in inculcating the research values. The National Education Policy has placed priority on research in higher education institutions. Academic research is an integral part of the higher education system in most knowledge societies. To keep the research at the priority, the students in higher education should be enthused to engage themselves in the research. Through detailed research, students develop critical thinking expertise as well as effective analytical, research and communication skills that are globally sought-after and incredibly beneficial. With the view of promoting research among the students, the then Hon'ble Governor of Maharashtra and the Chancellor of the Universities in the State of Maharashtra initiated Aavishkar: Maharashtra State Inter-University Research Convention in the academic year 2006-07. Since then, the convention has engaged thousands of research minds to unveil many unexplored areas of knowledge. The convention has helped in connecting likeminded researchers, created a spirit of exploring new ideas and brought solutions to many problems.

This Avishakar competition was organized for affiliated colleges by KBC North Maharashtra University at University Level.

State level Avishakar competition was organized for affiliated colleges and universities of Maharashtra by Gondwana University at state Level.

Objective:

- To identify the hidden innovative scientific talents and capacities of the students and provide them opportunities to inculcate research aptitude.
- To create competitiveness among the researchers to enhance the quality of the research.
- To appreciate the researchers and provide financial aid in the form of fellowship to promote the research.

General Rules

- All participants should prepare their poster/model based on their own work / innovation.
- Participants have to participate for District level Avishkar at their respective district centers. Students from different academic Schools of KBC NMU and UICT will participate at KBC NMU Campus.
- Principals/Directors are requested to assign the work of collection and short listing of entries at college level to some teachers. Maximum number of entries allowed from each college is 40 (Preferably UG-12, PG-12, PPG-12 and TH-12).
- Online Registration form is available at University website (www.nmu.ac.in).
- Each participant should send only one entry (either in poster or model).
- Participants will have to submit hard copy of registration form.
- Poster: Poster boards/space of 1 m x 1 m and material for affixing the poster will be provided by the organizers. Participants have freedom for preparation of poster. It can be Flex printed or Hand drawn. Maximum 2 participants are allowed per poster for poster presentation.
- Working Model/Static Model: The 2m x 2m space will be provided for assembling the model with Electrical and/or water connection. Maximum 2 participants per model entry are allowed. Participants have to specify the requirements in the entry form, which are essential for their model presentation.
- Participants should NOT display/disclose their name(s) and identity of the College / Institute / University / School on the poster/model in view of free and fair competition.
- Certificate of participation will be awarded to all the participants.
- List of short-listed posters/models will be announced on the University website.
- Refreshment and lunch will be provided to all participants by the organizers.

Principals/Directors are requested to send all entry forms along with abstracts and consolidated DD /Cash of entry fee for all participants to concerned District / Regional Avishkar Coordinator on or before 17 Dec. 2019

Apply Online on or before 14th December 2019, www.nmu.ac.in
